# Power Ritual result

You have participated in an ancient rite to increase your power. Bengoukee himself performed it in the wake of the energies left by the Akathasa, an evil servant of the tiger itself. You had to make a choice, and since the ceremony can only be performed once on anyone in their lifetimes, you must live with that choice forever. (DM initial by choice).

- The heart of the lion. You feel a bond with the jungle around you. This translates to a +1 on all saving throws vs. fear of any type. You also receive a +1 on all saving throws vs. spells cast by the servants of the tiger (including tiger katanga).
- The wisdom of the elephant. You chose wisdom, and have received knowledge instead. You receive a +1 on two non-weapon proficiencies you already have listed.
- The luck of the monkey. You are now have a small bit of the luck of the monkey. You have one extra hit point, to represent this small bit of luck.
